

Joint Commission Food and Dietary Nutrition 2021

Presented By

Ms. Laura A. Dixon (BS, JD, RN, CPHRM)

- ✓ Know about the 3 changes made by CMS in the dietary guidelines for hospitals
- ✓ Comprehend the new dietary guidelines for critical access hospitals
- ✓ Discuss the CMS hospital CoPs requirements for dietary and food and nutrition services

This program will discuss the CMS hospital conditions of participation requirements for dietary and food and nutrition services.

It is an important part of the CMS survey and this area has received increased scrutiny of their standards especially in the area of Infection control.

This program will cover the common deficiencies received by hospitals from CMS in this area.

This program will also cover the Joint Commission provision of care chapter standards related to dietary and the TJC dietary tracer information.

Objectives of Joint Commission Dietary, Food and Nutrition Services:-

- ✓ Discuss that the Joint Commission has a tracer for food and dietetic services
- ✓ Describe that CMS has a section on food and nutrition services in the hospital condition of participation standards
- ✓ Recall that the Joint Commission provision of care chapter has several standards on dietetic services

Agenda of Joint Commission Dietary, Food and Nutrition Services:-

- ✓ CMS Food and Dietetic Services CoP
- ✓ CAH Dietary Standards
- ✓ TJC Provision of Care Standards related to Dietary
- ✓ Topics Discussed Throughout the Patient Tracer Activity
- ✓ Dietary and food services day-to-day operation information
- ✓ DNV Healthcare Standards
- ✓ Professional Organization Position Statements

Who Should Attend Joint Commission Dietary, Food and Nutrition Services:-

- ✓ Dietitians
- ✓ Director of dietary
